

corioliss®

LEADING BEAUTY TECHNOLOGY

## OUR HISTORY AND PHILOSOPHY

Corioliss was established in 2002 by a small team of free thinking individuals whose sole aim was to create cutting edge styling products. We are manufacturer and distributor of premium electrical hair tools and accessories with an eye for fashion led, truly unique professional quality products.

Our range embodies the creative spirit of professional hair stylists and satisfies the technically demanding nature of day-to-day salon work.

We are passionate about challenging conventions, utilising the most advanced technology available and creating unique products that our customers are proud to use.

THE ULTIMATE  
CONTROL

### THE C3 IS SIMPLY THE ULTIMATE STYLING IRON IN THE CORIOLISS COLLECTION...

If you demand quality, sophistication and only the best professional salon styling, then the C3 is the option for you. Loved by hairdressers and home users for its simplicity and feel, let the Corioliss C3 give you the ultimate control.

### FEATURES & BENEFITS

The C3 features an integrated digital temperature control with locking buttons to stop unwanted accidental changes while styling! The ergonomic, slimline design feels so natural to use and the shiny gloss finish adds a touch of elegance.

### WHAT SHOULD I USE THE C3 IRON FOR?

The C3 iron can do it all: Straighten, curl, wave, twist and flick to name a few! The iron is designed to be used as a creative tool and ideal for discovering experimental hair styles. The maximum heat is 235°C so the C3 is also perfect for the professional hairdresser performing salon hair treatments.

**TITANIUM PLATES** ultra-smooth floating plates for perfect alignment and effortless glide. Professional salon control.

**GENTLE HEAT CONTROL** for the ultimate in professional salon styling, adjustable for your own unique style 135-235°C.

**CREATE YOUR PERFECT STYLE** ideal for use with all different hair types and creating new, exciting styles, get creative with the C3.

**SAFETY SLEEP MODE** for added peace of mind and added security. Automatically turns off the appliance after 2 hours.

**DUAL VOLTAGE** circuitry for global compatibility. The C3 is the ideal holiday companion, flawless hair wherever your travels may take you!

**TRAVEL POUCH** pack includes a travel pouch with a unique fold-out design, ideal for safe storage.

**SALON STYLE CORD** professional tangle-free cable for greater freedom. 360° Swivel base allows better movement.

## THE AWARD WINNING CORIOLISS C2 IS THE CHOICE OF PROFESSIONALS WORLDWIDE!

The world has changed over the years but the Corioliss C2 has remained a constant in our collection. The slimline design, titanium plates and the remote control all combine to deliver a winning design that never fails.

## HEALTHY HAIR WITHOUT THE COMPROMISE JUST SIMPLY BEAUTIFUL, SILKY HAIR

The C2 styling iron has been the choice of professional hairdressers for use in salons all over the world. The digital PCB remote control adjusts the temperature (80-210°C) and powers the iron On/Off, the remote can be clipped onto a belt for quick access and the extra long cord makes it ideal for salon use.

## WHAT SHOULD I USE THE C2 IRON FOR?

The C2 features slimline titanium plates designed to make styling faster and more efficient. The C2 is the perfect tool to experiment with new and exciting hair styles. Super-smooth titanium glides over the hair and the floating plates create perfect alignment which means less damage and more contact.

**REMOTE CONTROL** for quick heat control and the ultimate in professional salon styling, adjustable for your own unique requirements.

**TITANIUM PLATES** super-smooth professional slimline floating plates for effortless glide over the hair for faster styling with less damage.

**PURE CERAMIC** heating element for super-fast heat up time and response. Naturally emitted negative ions help to eliminate frizz.

**CREATE YOUR PERFECT STYLE** ideal for use with all different hair types and creating new, exciting styles. Get creative with the C2.

**ERGONOMIC SLIMLINE BODY** feels great to use for supreme comfort whilst styling, ideal for professional use or at home.

**TRAVEL POUCH** pack includes a travel pouch with a unique fold-out design, ideal for safe storage.

## IF YOU ONLY EVER OWN ONE CORIOLISS STYLING IRON THEN THE C1 SHOULD BE IT.

The simple and efficient design is so easy to use with outstanding results. The C1 iron is available in a large range of different colours and patterns for every personality.

## FEATURES & BENEFITS

The C1 features super-smooth titanium plates that glide effortlessly over the hair and the floating plate system guarantees perfect alignment which means less snagging / damage as you style. The C1 features an integrated temperature control dial 120-235°C ideal for every hair type and professional salon use.

## WHAT SHOULD I USE THE C1 IRON FOR?

The gloss finish inner arms are ideal for creating curls and waves, the outer body on the C1 is normally a soft-touch finish which gives greater control and feels amazing to use. The wider titanium plates make styling faster and are perfect for creating new and exciting styles.

## THE BIG WAVE LETS YOU CREATE, BIG WAVES! BIGGER, BETTER, BOLDER WAVES.

Create incredible body and movement with the Big Wave styling iron, designed to give your hair extreme root lift and texture. Easy to use to achieve fabulous results, go extreme or keep it subtle, the Big Wave can give your hair some serious lift.

## FEATURES & BENEFITS

The Big Wave features dual voltage circuitry design for global usage. The heat can be controlled with the temperature control dial, ideal for use with all hair types. Soft touch finish is designed for maximum comfort and grip whilst styling and the pack also includes a protective finger glove for extra protection.

## WHAT SHOULD I USE THE BIG WAVE FOR?

To create amazing Big Waves, it's that simple. Press and hold the iron for a few seconds, repeating downward through the hair to give you beautiful, deep sculpted waves, a really cool and modern twist on a classic effect.

**THE BIG WAVE** creates beautiful, glamorous deep sculpted waves giving your hair incredible body and movement.

**TOURMALINE/CERAMIC** ultra smooth coated plates for less snagging and damage, faster styling leaving hair shiny and smooth.

**GENTLE HEAT CONTROL** for the ultimate in professional salon styling, adjustable for your own unique style 120-220°C.

**ERGONOMIC BODY** with a soft-touch finish feels great to use for supreme comfort whilst styling, ideal for professional use or at home.

**FINGER GLOVE** for added protection whilst styling, made from a heat resistant material absorbing the high temperatures of the iron.

**DUAL VOLTAGE** circuitry for global compatibility, ideal for use on holiday, flawless hair wherever your travels may take you!

**Salon Style Cord** professional tangle-free 3m cable for greater freedom. 360° Swivel base allows better movement.
