WAHL CLIPPER CORPORATION

Since 1919, with the invention of the world's first electromagnetic hair clipper "Model 66" by Leo J. Wahl, our experts have engineered a powerful line of clippers and trimmers masterfully crafted to bring modern technology right to your salon. At WAHL, we believe that every stylist deserves a tool that is as reliable as it is inspiring. Tested for quality and precision, we promise you unparalleled results.

Today, President Brian Wahl, great-grandson of Leo Wahl, continues to lead the proud tradition of WAHL Clipper Corporation. The group now boasts some 3,300 employees. Production is based in the USA, Europe and Asia.

WAHL continues to demonstrate its innovative strength at international trade fairs, organizing exclusive stage shows and excellent specialist seminars.

WAHL Clipper Corporation comprises 22 companies operating in 180 countries around the globe making it world's leading manufacturer of professional hair clippers.
